Dear Parents and Guardians,

Welcome to our first termly newsletter!

We are quickly nearing the end of a very busy and jam-packed term. This term saw us welcome lots of new lovely students and staff members, as our school continues to grow. We hope that everyone has now settled in and is enjoying being part of our school family.

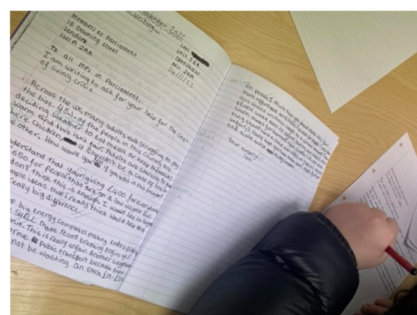

Highlights so far:

- GO ENGLAND! We are all really excited about the start of the (winter!) world cup. In school we have started a sweepstake, involving the pupils in this. There will be a prize for the winner.
- Year 7 superstars raised a brilliant £35 for cancer research with their Macmillain coffee morning, well done!

Student Shoutouts:

- Harlem Murphy** for excellent engagement in Maths!
- Danny Bradley** for enthusiasm in multimedia!
- Keeley Boyce** for great work in English
- Scarlett Milling** for superb effort in Maths!
- Tommy McDonagh** for beautiful work in art!
- Jamie Hurley O'Shea** for maturity with PSHRE!
- Caden Dyer** for general engagement and superstardom!

After Christmas, we are really excited to announce that, from the start of next term, we will be offering After School clubs for our pupils. These are on an 'opt in' basis and participation will be based on pupils behaviour. We have such talented and inspirational staff and students and think this will be a fantastic way to utilise our skills and passions. As previously stated, we are really excited about the potential of this and see it as an opportunity to enhance our already amazing school. We hope you are excited too!

From everyone at Music Stuff, we would like to wish you all a very Merry Christmas and a Happy and healthy New Year!
